

Field Work Data Sheet

Location	Date	Start Time	End Time
<p>Observation Notes—<i>Factual notes based on what you see, hear, touch, smell, or taste. Record your notes in a running list in the box below.</i></p>		<p>Reflective Notes—<i>Subjective notes, your wonderings, connections or patterns that you notice, etc. Record your notes as a list, and if possible, connect them to your observations.</i></p>	
<p>Draw a map of the area, labelling important landmarks and other elements of your observations.</p>
